Toronto East Local Immigration Partnership (LIP)

Updated March 2011

Acknowledgements

This resource for agency staff was made possible by the generous financial support of Citizenship and Immigration Canada through their Local Immigration Partnership program. We would like to thank all the community agencies who participated in the development of this Inventory. Your knowledge of the community, your dedication to improving services and your attention to detail has made this document an invaluable resource for the service providers in our community.

We would also like to take this opportunity to thank our volunteers, Tashi Rubling and Noreen Shanahan who spent hundreds of hours on the phone with local agencies verifying service information.

A special thanks goes out to Tom Zizys whose expert advice and vast experience helped to shape this document into a useful and meaningful resource.

Lastly, we would like to thank the staff of the Toronto East Local Immigration Partnership, Sandra Guerra, with the assistance of Diane Dyson, Mezba Hassan, Mohammad Hayat and Sevgül Topkara-Sarsu whose hard work and dedication made this document possible. We hope this serves as an important and valuable resource for our local agencies and community service providers.
